ANAHEIM, Calif.--(BUSINESS WIRE)--Location Based Technologies, Inc. (OTCBB:[LBAS](#) - [News](#)), a leading-edge service provider of personal and pet location devices, today announced that it is now selling vehicle location devices from its website: www.PocketFinder.com.

“Like all PocketFinder family products, our vehicle location devices are waterproof, rugged, and easy to use. You can now locate any of your family vehicles from your computer or cell phone 24 hours a day. PocketFinder meets critical needs of vehicle owners and delivers all of the functionality of geo-fencing, speed alerts, location and direction,” explains Dave Morse, CEO of LBT. “These

affordable, reliable and durable devices bring peace of mind by knowing where your family members are, and enhances the safety of mobile members, whether on the road or off road in the hills or out on the water.”

This easy to install device allows parents to view the speed and location of a new teen driver and/or luxury cars, motorcycles, boats, and other watercraft. Devices are ready for immediate delivery at a price of \$159.95 with a monthly service fee of \$12.95.
